90 East End Avenue #12B

Welcome home to this triple mint, spacious three bedroom home, located across from Carl Schurz Park in the peaceful East End Avenue neighborhood.

With 9' ceilings, 2,164 square feet and oversized picture windows this corner home is sun filled and open, with partial river views from the living room and sweeping western city views all around.

As seen on NBC's Open House, this meticulously built home offers an elegant, yet comfortable living space. The living room is large and opens to a combination den, dining or zoom ready office. The eat-in kitchen is a designer's dream. Custom wood and stainless steel cabinetry, including a center island, offers an abundance of storage. Top-of-the-line appliances include a Wolf stove and microwave, Subzero refrigerator and Miele dishwasher, and a tucked away full-sized vented washer dryer, all surrounded by marble countertops and an inviting banquette for dining with a view.

The oasis that is the primary suite has ample custom-built closets including 1 walk-in, the en-suite bathroom has a separate shower, tub and double sinks. There are two more oversized bedrooms and bathrooms. Overall, the apartment offers central air, LED lighting, a built-in sound system, mahogany floors, electric shades (in the primary bedroom and living room) and custom outfitted closets.

90 East End Ave is a stunning full service white glove condominium that was completed in 2000 and was designed by the award winning architect, Costas Kondylis. There is a full-time doorman, concierge and live in super, as well as a brand-new fitness center, a playroom, bike storage and private storage.
