Homes Taking Us On The Upper East Side

Are you in the market for a new home?
The Upper East Side is home to many luxury residences.

33 East 70th St, Apt. 10/11D, Lenox Hill, New York

A stunning seven bedroom duplex located in Lenox Hill New York is for sale. The duplex is 6,600 square feet with 7 bedrooms, 7 bathrooms, 2 half baths, a home office, 2 laundry rooms, and 2 fireplaces. On the first floor there is a grand foyer that leads into a beautiful dining and living space near a wood-burning fireplace, wet bar, and alcove office, all having 10 foot ceilings. The main bedroom is situated with two baths, closets, and a windowed dressing room. The bathrooms have a Bisazza rain shower, deep soaking tub, heated floors and a built-in vanity. A beautiful winding oak staircase leads up to the second floor where you will find a second living space with a fireplace and wet bar. Oak floors can be found throughout the duplex. Other amenities include central air conditioning, custom lighting, and a sound system. The duplex is in a building one block from Central Park with a newly renovated lobby, 24-hour doorman, gym facilities, and central laundry.
