

Marcia Donen Roma

"Marcia Donen Roma has been one of our top grossing brokers for more than a decade, having joined Fox Residential Group in 1996. Her passion for real estate is genuine and has been integral to her consistent and well-deserved success. Marcia's business has been built on a solid referral base. Her customers and clients trust her completely, know they will always get great service, and count on her candor and honesty in assessing situations. I have often heard her say that she would rather walk away from a deal than mislead a customer. Another side of Marcia is her varied business background and world travels. She has lived in London and spent significant time in Rome, Monte Carlo, and Ibiza. This has provided her with a broad perspective about how people like to invest in New York City real estate. She is also a marketing specialist, dating back to early stints with Playboy Clubs International, where she negotiated two successive national contracts on their behalf. Marcia Donen Roma is a great friend, an exceptional broker, and a pleasure to work with. I am delighted to have her at our firm. She is the epitome of my perception of the perfect Fox Residential broker.
