

### Stephanie Kanner

“Stephanie Kanner has been at my side since Fox Residential Group opened its doors 24 years ago. Over the years, she has assumed a strong leadership role at Fox and is consistently one of our top producers. Stephanie is an intelligent and insightful negotiator and has a detective’s eye when it comes to finding the right home for her clients. She also finds time to assist and mentor many of our newer brokers in the office – always with a smile and a calm demeanor. I am proud to single out Stephanie Kanner, Executive Vice President of Fox Residential Group, as a shining star at Fox and an example for other brokers, both in our firm and within the industry.”
