Upper East Side
235 East 73rd St, Apt. 4D
\$799,000

Space and location at a great price! Large, bright one bedroom with pre-war charm in a full service building. A gracious floor plan with dining area and over-sized living room is set on one of the prettiest tree-lined blocks on the Upper East Side. With approximately 900 square feet, there is room for comfortable living and entertaining. Enter into a welcoming foyer with a large custom walk-in closet. There is a dining area and windowed kitchen adjacent to a 23 foot living room with high beamed ceilings and decorative fireplace. Additionally the well-sized master bedroom, large windowed bathroom and ample storage (2 walk-in closets and 2 large closets) make this apartment a well-priced gem.
