Fox Residential's Karen Gorstain says this pre-war co-op apartment at 66 East 83rd Street is "unique." It's a four-room maisonette that has both street and lobby entrances. There's a "spacious" living room and two-step landing that leads to the street entrance. The master bedroom is en-suite bath and the second bedroom has a decorative fireplace and access to the garden. It's a pet-friendly building with a laundry room, storage space, bike room, and allows washers and dryers. It's listed at \$1.3 million.
