

## NEW LISTINGS

Fox Residential's Marcia Roma has just brought this sought-after Chathan two-bedroom to market. The "mint condition" home has a West-facing terrace, accessible from a the living/dining room, and overlooking the neighboring townhouse gardens. The master suite faces south and west and has a sizable dressing room, walk-in closet, and marble master bath with soaking tub, separate shower, and double sink. The kitchen has space for a small table and chairs and the second bedroom also has an en-suite bath. The apartment has a washer and dryer and central air conditioning and the luxury white-glove, building offers residents an Equinox gym and garage. Pets are permitted. The asking price is \$4 million.
